

The 12th Takeda Science Foundation Symposium on PharmaSciences

ORGANOID 4D: Development, Disease, Diversity and Discovery

Organizers

Takanori Takebe
Cincinnati Children's/
Institute of Science Tokyo/
The University of Osaka

Toshiro Sato
Keio University

Mitsuru Morimoto
RIKEN Center for Biosystems
Dynamics Research

Held concurrently with

**Yoshiki Sasai
Memorial
Symposium**

January 22, 2026

Juan Carlos Izpisua Belmonte
Altos Labs, U.S.A.

Jürgen Knoblich
Institute of Molecular Biotechnology, Austria

Sergiu Pasca
Stanford University, U.S.A.

And 10 speakers

Speakers

Cantas Alev
Kyoto University, Japan

Paola Arlotta
Harvard University, U.S.A.

Jeffrey Beekman
UMC Utrecht, Netherlands

Shuibing Chen
Weill Cornell Medicine, U.S.A.

Hans Clevers
Hubrecht Institute, Netherlands

Carla Kim
Boston Children's Hospital, U.S.A.

Madeline A. Lancaster
University of Cambridge, U.K.

Prisca Liberali
Friedrich Miescher Institute for
Biomedical Research, Switzerland

Melissa Little
Murdoch Children's Research Institute,
Australia

Matthias P. Lütolf
Institute of Human Biology/
Swiss Federal Institute of Technology Lausanne,
Switzerland

Sasha Mendjan
Institute of Molecular Biotechnology, Austria

Mitsuru Morimoto
RIKEN Center for Biosystems Dynamics Research,
Japan

Svante Pääbo
Max Planck Institute, Germany

Steve Quake
Chan Zuckerberg Initiative, U.S.A.

Jacco van Rheenen
Netherlands Cancer Institute, Netherlands

Mitunori Saitou
Kyoto University, Japan

Toshiro Sato
Keio University, Japan

Benjamin Simons
University of Cambridge, U.K.

Takanori Takebe
Cincinnati Children's, U.S.A./
Institute of Science Tokyo/
The University of Osaka, Japan

Margherita Yayoi Turco
Friedrich Miescher Institute for
Biomedical Research, Switzerland

James M. Wells
Cincinnati Children's, U.S.A.

Magdalena Zernicka-Goetz
California Institute of Technology, U.S.A.

January 23-24, 2026 | Knowledge Capital
Congrès Convention Center, Osaka

Free admission [Travel and other related expenses are the responsibility of each participant] / Registration Deadline: October 31, 2025

Call for Posters

- For application guidelines, please refer to our website.
- Abstract submission deadline: September 30, 2025

**Eureka
Award**
¥500,000 × 1

**Outstanding
Award**
¥400,000 × 1

**Awesome
Award**
¥300,000 × 7

Total
¥3,000,000
(9 awards)
